

KDHE Certified Lead Abatement Workers:**January 15, 2010**

The following individuals have completed KDHE accredited training programs and have met the certification requirements established by K.A.R. 29-72-7. Certified personnel are required to commit to continuing lead hazard reduction training and are issued credentials by KDHE as proof of certification. When employed by a properly licensed lead activity firm they are allowed to perform work on KDHE authorized abatement projects.

NOTE: Always verify that a lead abatement worker is employed by a licensed abatement firm. Prior to beginning any abatement activity you must contact KDHE for project review and approval. Email: lead@kdheks.gov or call: 1-866-865-3233 for more details.
