

KDHE Certified Lead Abatement Supervisors:**January 15th, 2010**

Lead Abatement Supervisors have successfully completed an accredited training program and when employed by a property licensed lead activity firm are certified to supervise lead abatement workers during lead abatement activities and prepare occupant protection plans and post abatement reports.

NOTE: Listing in this directory does not imply that the employer is a licensed abatement firm! Always verify a supervisor is employed by a licensed abatement firm prior to beginning any abatement activity. Contact lead@kdheks.gov or 1-866-865-3233 for more details.
